Dear Voters,

Members of the CUPE 1851 Executives have voted to support Marnie Wilson in her run for re-election as Langley School Board Trustee.

Without any hesitation, Marnie Wilson is the best candidate. Marnie has worked as a special education assistant for more than a decade and was then full-time president of CUPE local 1260. She was the only trustee in her term who reached out to all employee and partner groups and listened to their concerns.

It is imperative that you support Marnie in this election in order to ensure her re-election on October 15, 2022.

Thank you for your support,
Cupe 1851 Executives
